WELCOME

Dear Friends of the Manor,

Our 501c3, non profit organization is dedicated to increasing the quality of life through the beauty of nature and the benefits and freedom of being outdoors.

Through horticulture, the “cared for” become the “care-givers” and the nurtured become, once again, the nurturers in a safe, healthy environment designed and built around all their special needs.

We invite you to participate in our annual golf outing to benefit the residents of Neshaminy Manor, a county owned long term care, rehabilitation facility.

With your help we will continue to build a courtyard that will enable our residents to take advantage of the safety and serenity of the outdoor enhancements provided by our “Gardens at the Manor”.

For more information see our web site:

Sincerely, The Gardens at the Manor Golf Committee

Marjorie Ziegler, and Jack McDermott
